Hi Chris,

I am attaching:

1. our authors' review of the galley proofs;
2. our Supplementary Materials updated with DOI of on-line raw data in PDF format; and

In a subsequent email I hope to send you two proposed Science covers in case they might be considered. (File size might preclude this second email from delivery, but it is optional anyway.)

We hope to have government clearance to pay for color for three figures at your website tomorrow.

Please let me know of any questions and thank you very much.

Sincerely,

John Washington
